Dear M. BOUGON,

PayCert has received a request, submitted by IDEMIA France, your company, for the Certification of the "WISE FLY V2.0" DCA Card Product hereafter referred to as the Product and identified above as WISE FLY.

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as IDE.DCA.101.200225A and we have assessed your Test Report (ref. C19REP01-945 V6.0), which was generated by FIME EMEA - France, following the "Wise Dual Functional Test Plan v1.2.1. – August 2019".

After assessing such file in the Certification Evaluation Report (ref. WISE/EVR/CAR/2020-001 v1.1.1), PayCert has found reasonable evidence that the submitted samples of the Product complies to the *WISE Dual Card Application Specifications version 1.0.1.*, hereafter referred to as the "Reference Specification".

PayCert hereby (a) grants the Product Certification of compliance with the requirements stated by the WISE Dual Card Application Specifications version 1.0.1 and (b) agrees to include your Product in the certified products list, published on the WISE Certification webpage ([www.wise.certification.paycert.eu](http://www.wise.certification.paycert.eu)).

PayCert hereby grants the Product Certification of compliance with the requirements stated by the Reference Specification and will include your Product in the certified products list.

Please note that PayCert's Certification is subject to the following terms and conditions as listed hereafter:

i) The Vendor commits to the PayCert and WISE compliance certification procedures to obtain the Certification. Under no circumstances does this certification letter include or imply any product or service warranties from PayCert, including without limitation, any implied warranties of merchantability, fitness for purpose, or non-infringement, all of which are expressly disclaimed by PayCert.

ii) If the Product is changed, IDEMIA France must notify PayCert of this fact in writing. Any change in the Product that may generate a different behaviour with respect to the Reference Specification or a difference in the Product Implementation Conformance Statement will be considered a major modification subject to a new evaluation in order to maintain the present Certification.

iii) The Present Certification granted to IDEMIA France for the above referenced Product is non-transferable to any other vendor.

iv) The present Certification Letter is not an assessment of the Product compliance with EMVCo CPA approval requirements. It is the Vendor's responsibility to maintain the validity EMVCo Approval (ref "OBER0271V1") over the time.

The present certification letter is valid as of today. The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.

Because The Certification Body's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the list of certified Products published on the WISE Certification webpage ([www.wise.certification.paycert.eu](http://www.wise.certification.paycert.eu)).
