Dear M. LIMAYE,

PayCert has received a request, submitted by Giesecke+Devrient Mobile Security GmbH, your company, for the Certification of the "Convego Join 5.65 DI WL1-ED-A10-Z v1.0 " DCA Card Product hereafter referred to as the Product and identified above as Convego Join 5.65 DI WL1-ED-A10-Z.

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as GD.DCA.101.210304 and we have assessed your Test Report (ref. C21REP00-543- V1.0), which was generated by FIME EMEA (Caen), following the "Wise Dual Functional Test Plan v1.2.2, July 2020".

After assessing such file in the Certification Evaluation Report (ref. WISE/EVR/CAR/2021-056 v1.1.0), PayCert has found reasonable evidence that the submitted samples of the Product complies to the *WISE Dual Card Application Specifications version 1.0.1*, hereafter referred to as the "Reference Specification".

PayCert hereby (a) grants the Product Certification of compliance with the requirements stated by the WISE Dual Card Application Specifications version 1.0.1. and (b) agrees to include your Product in the certified products list, published on the WISE Certification webpage (www.wise.certification.paycert.eu).

PayCert hereby grants the Product Certification of compliance with the requirements stated by the Reference Specification and will include your Product in the certified products list.

Please note that PayCert's Certification is subject to the following terms and conditions as listed hereafter:

i) The Vendor commits to the PayCert and WISE compliance certification procedures to obtain the Certification. Under no circumstances does this certification letter include or imply any product or service warranties from PayCert, including without limitation, any implied warranties of merchantability, fitness for purpose, or non-infringement, all of which are expressly disclaimed by PayCert.

ii) If the Product is changed, Giesecke+Devrient Mobile Security GmbH must notify PayCert of this fact in writing. Any change in the Product that may generate a different behaviour with respect to the Reference Specification or a difference in the Product Implementation Conformance Statement will be considered a major modification subject to a new evaluation in order to maintain the present Certification.

iii) The Present Certification granted to Giesecke+Devrient Mobile Security GmbH for the above referenced Product is non-transferable to any other vendor.

iv) The present Certification Letter is not an assessment of the Product compliance with EMVCo CPA approval requirements. It is the Vendor's responsibility to maintain the validity of the EMVCo Approval (ref. G&D0359v1) over the time.

The present certification letter is valid as of today. The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.

Because The Certification Body's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the list of certified Products published on the WISE Certification webpage (www.wise.certification.paycert.eu).
